Swiss Alternative Funds Awards, November 12th, 2014

HedgePole, in cooperation with Hedgegate and Crossbow Partners, is pleased to announce this year's winners of the Swiss Alternative Funds Awards:

1. Best Swiss Hedge Fund:

RBR Capital Advisors AG: RBR European Long Short Ltd

2. Best UCITS Hedge Fund:

Hadron Capital LLP: Hadron Alpha Select UCITS Fund

3. Best Swiss Fund of Hedge Funds:

Ayaltis AG: Areca SICAV SIF - Value Discovery Fund

4. Best Retail Fund of Hedge Funds:

UBS AG: UBS (CH) Global Alpha Strategies

The Swiss Alternative Funds Awards recognises outstanding performance and excellence in four categories for single hedge funds and multi-manager funds relevant to Swiss investors. The winners have been named at yesterday's Swiss Asset Management Day in Pfäeffikon SZ which attracted over 500 participants from the Swiss and international financial community.

The winning funds did pass through a rigorous quantitative and qualitative filter and were finally selected by a jury of designated and experienced industry experts.

We would like to congratulate the winners for this outstanding achievement within each awards category. Nonetheless, we would also like to congratulate funds that were shortlisted but did not win. Those funds as well belong to the group of highly successful managers.

For more details on Swiss Alternative Funds Awards please visit our website: <http://www.hedgepole.com/awards.html>.
